# SIZING FOR MEN

**Collar:**  
Measure around the neck without pulling the tape tight. Alternatively check the label on a favourite shirt.

**Waist:**  
Measure where your trouser waistband normally sits.

**Cap:**  
Measure around the head in centimetres and check against the chart.

**Chest:**  
Standing normally, measure around the fullest part of your chest.

**Inside Leg:**  
Standing normally, measure your trousers from the crotch seam to the hem. Alternatively, measure a favourite pair of trousers that fit you well.

# SIZING FOR WOMEN

## Bust:

Measure around the fullest part, making sure that the tape is level across your shoulder blades.

## Hips:

Measure the fullest part of your hips, keeping the tape level.

## Hat:

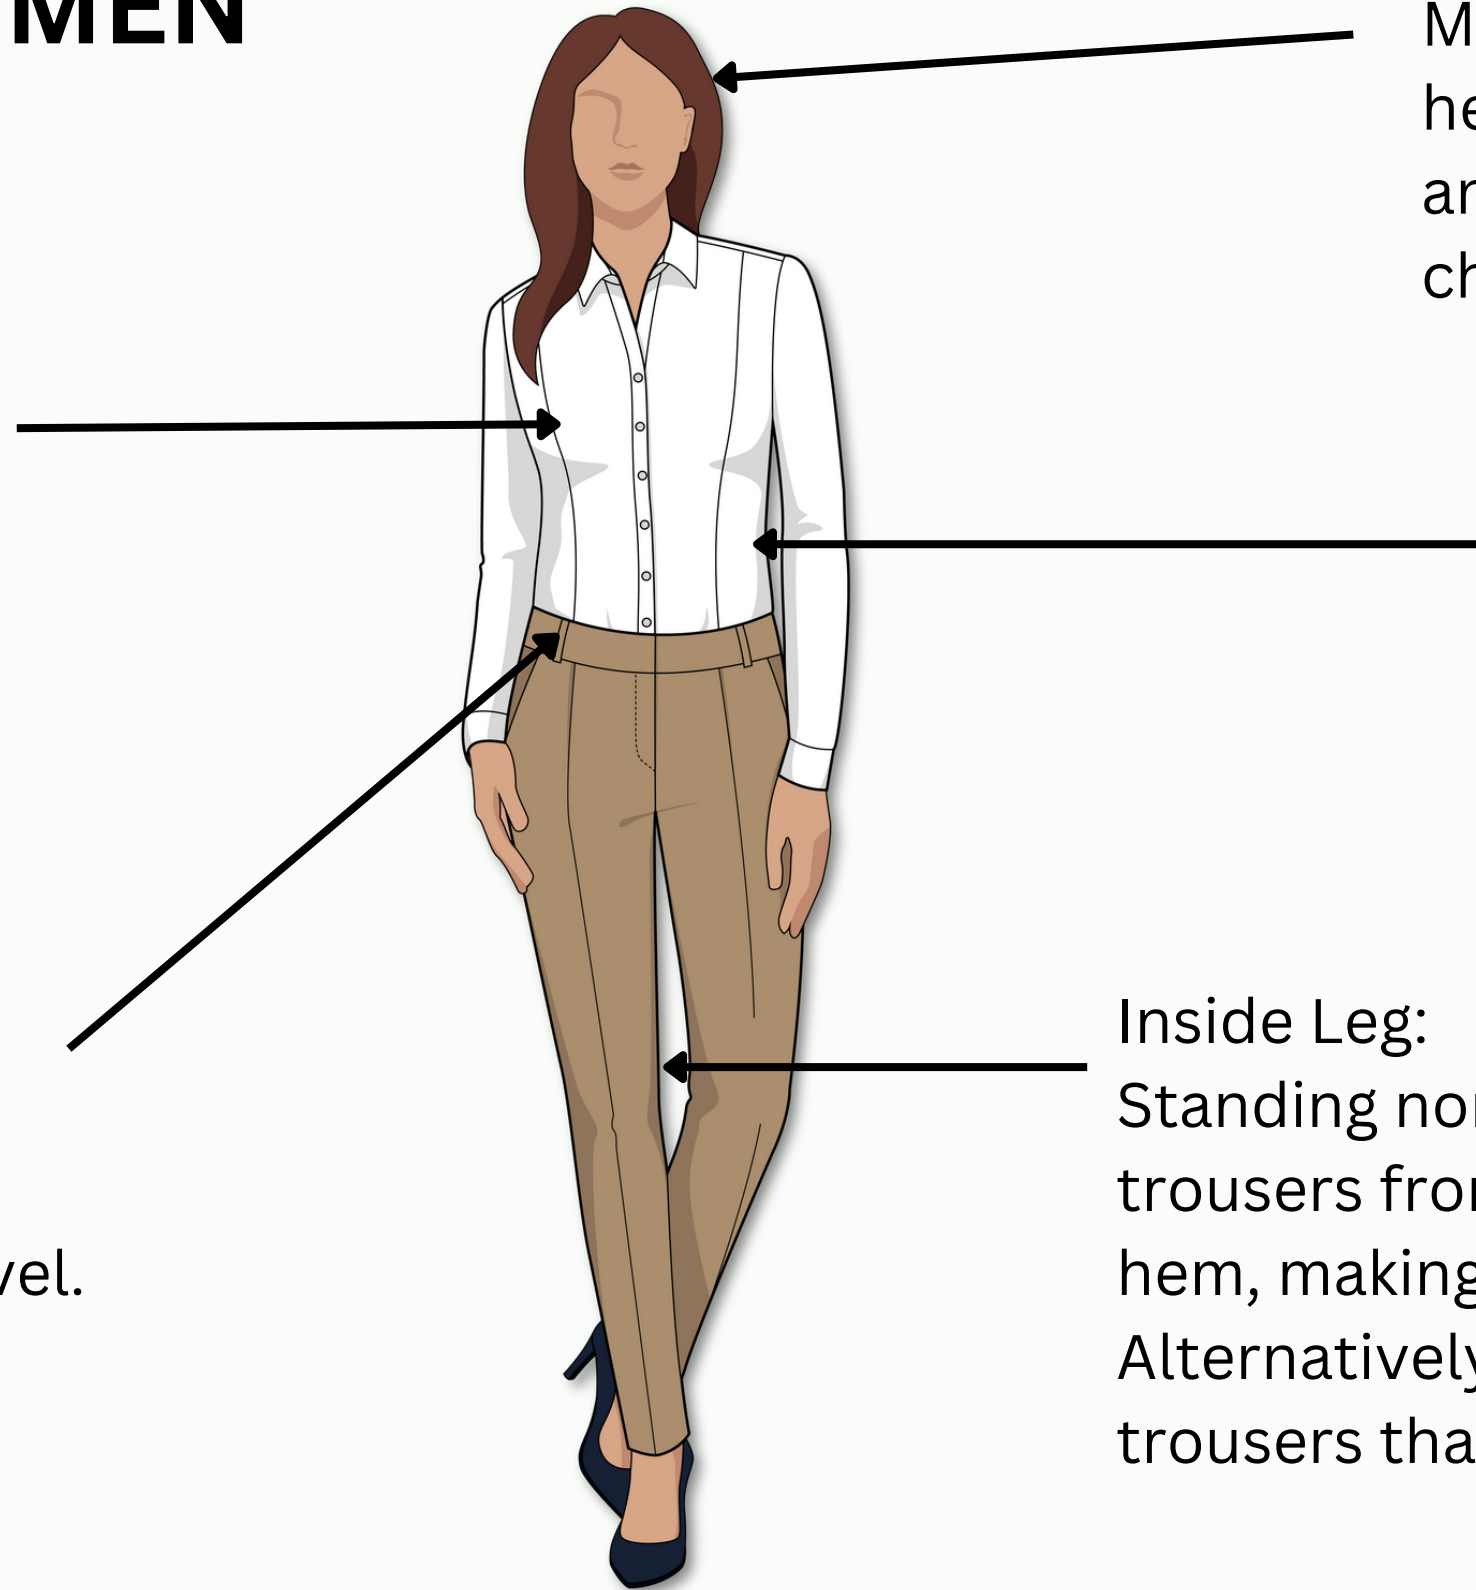

Measure around the head in centimetres and check against the chart.

## Waist:

Measure your natural waistline without pulling the tape tight.

## Inside Leg:

Standing normally, measure your trousers from the crotch seam to the hem, making allowance for heels. Alternatively, measure a favourite pair of trousers that fit you well.

# OUTSIZES

If you do not fit our standard size garments, we can manufacture and tailor uniform for you.
